Extensive experience and wide range of skills

Equipment and Solutions

Experts solutions to offer busy clients

ABOUT US

Hitech General Trading LLC is a leading global supplier and manufacturer of industrial equipment and materials, headquartered in Dubai, with branch offices and agents in many countries, including sub- ethnics in Iraq

Why we are the Best?

For many years, our company as an expanding engineering technical and trading company has been championing quality, reliability and flexibility and has earned an industry wide reputation for excellence with the aim of providing the most reliable, cost-effective and accurate business related solutions.

OUR PRODUCTS

Do you need a packaged solution for your production operations? We provide the complete package for well testing, process operations and ancillary services

CHOOSE US FOR:

WELL TESTING & EARLY PRODUCTION FACILITY (EPF)

INSTRUMENTATION & PROCESS CONTROL

EARLY PRODUCTION FACILITIES (EPF), WELL TESTING AND COMPLETE DEPRESSURISATION SOLUTIONS

Manufacture, supply, train and commission Early Production Facilities (EPF) for many clients to bring wells into production faster and achieve cash flow as quickly as possible. Hitech designs and manufactures complete equipment packages for Early Production Facilities (EPF) and Well Testing. We are highly skilled and pay attention to the small details that make our integrated solutions integrate seamlessly.

Complete Depressurization Solutions Using Nitrogen Loaded

Dual and Triple Phase Separation

Produced water Treatment Packages

Gas dehydration packages

Gas sweetening packages

Fuel gas treatment

Oil Dehydration, desalting and heating

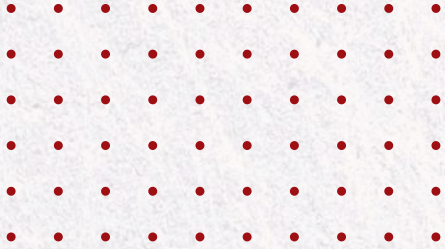

Fire and Gas facilities

Flare ,storage and shipping system

Sand Treatment

Depressurization Valve and Pilot Operated Depressurization Valve

WELL TESTING & PRODUCTION SEPERATOR

THE BEST SERVICE

Our company excels in creating all types of equipment from start to finish, including engineering, procurement, fabrication, electrical work, painting, and testing that includes third-party inspections.

Our skilled engineering and design team uses cutting-edge software to develop top-notch designs, conduct thorough analyses, and create precise manufacturing drawings. Additionally, we offer comprehensive well testing services, including modular standalone setups.

OUR SERVICES

We offer a wide range of essential oilfield equipment and services.

Our expertise and connections enable us to deliver the most cost-effective and reliable products in the shortest possible times

COILED TUBING UNIT

Truck Mounted Coiled Tubing Unit

Trailer Mounted Coiled Tubing Unit

Skid mounted coiled Tubing Unit

Electrical Intelligent coiled Tubing Unit

Intelligent Sand Conveyor Unit

WIRELINING UNIT

CEMENTING UNIT

Single Pump Cementing Unit

Twin Pump Cementing Unit

Cement Batch Mixer

Cement Bulker

Cement Surge Tank

COMPLETE SURGE RELIEF SOLUTIONS

Single point of responsibility for the complete system including design ,engineering and fabrication ,testing ,installation ,commissioning and operator training

NITROGEN LOADED PRESSURE RELIEF VALVE

- Suitable for all types of petroleum products including dirty or high viscosity products .
- Exceptionally fast response
- Can also be used to maintain a minimum back pressure for more efficient operating conditions

PILOT OPERATED PRESSURE RELIEF VALVE

- Suitable for low viscosity refined products .
- Completely self - contained
- Relatively slow response .

FLOWLINE EQUIPMENT

Swivel joints

Plug valves

Integral Pup joints

Pressure Relief Valves

Check Valves

Choke Valves

Integral fittings

Reel swivels

Hose Loops

VALVES
